

# Spray Gun

## MAF

USE

## Workable covering materials

<b>Water- and solvent based varnishes (*)</b> (enamels, rust preventers, fillers, flatting, etc.)	
<b>Wall paints</b> (distempers, water paints, multicolor, fine quartz paints, etc.)	

(\*) For water-based varnishes / water paints, use the appropriate parts: nozzle, cap and fitting for waterpaint hose (see the section Spare Parts)

Please Note: to obtain products with good mechanical resistance and weatherability properties, observe the rules supplied by the manufacturer of covering products. Prepare the products following the instructions of the latter.
